## The Games are here!

Waltham Forest welcomes the London 2012 Olympic Games

With the Olympic Games in full swing and the first of the 4,700 medals awarded, Waltham Forest is at the centre of the world as it plays host to London 2012.

After a long wait and meticulous preparation, the borough is welcoming visitors, athletes and officials from across the globe. And as the excitement builds in the run up to the hotly contested men's 100 metre final on Sunday 5 August, the Council's Waltham Forest Welcome volunteers are out in force to welcome the world.

Council Leader, Chris Robbins, said: "Since it was announced that east London would be the home of the 2012 Games seven years ago, the area has been transformed. Our aim has always been to make the most of the Olympic year, be it through investment and jobs or events and Games-time tickets.

"By harnessing the momentum of the Games we've secured more than £22 million worth of investments into Waltham Forest's streets and open spaces, built a Construction Skills Centre to bring top quality training to residents and hosted a series of first class events through our Big 6 programme.

"Our Waltham Forest Welcome volunteers are giving the warmest

Footballer Fabrice Muamba helped light the Celebration Cauldron at Waltham Forest's Torch Relay evening celebration, just six days before the Games began.

possible welcome to visitors, and we know that first impressions count so an additional 91 street cleaners have been recruited - many of them residents - to ensure the borough is tidy and the service can cope with the increased footfall."

Along with making the most of the Games, the Council has focused on minimising the disruption that residents may experience in the coming

weeks. Games-time plans are now in operation to ensure bins are emptied, streets are swept, meals on wheels are delivered and that residents receive the services they expect and rely on.

However as an Olympic host borough, with Games-time venues, Transport for London's Olympic Route Network and LOCOG's parking restrictions all operating within Waltham Forest, some delays and

disruptions are inevitable.

The Council is asking residents to bear with them and keep an eye on the website for the latest service information.

## In my opinion

### Jane Farrier

Club Manager Orion Harriers Juniors, Chingford

Jane Farrier with her daughter Georgina and baby grandson Archie George Bellamy

When I was first told that I had been nominated to carry the Olympic Torch last year I was thrilled, but I felt that it was a lifetime away. It was only in the last few weeks that the reality dawned on me that I was about to be part of the London 2012 Olympic Games.

The day of the Olympic Torch Relay in Waltham Forest was one that I, and the other Torchbearers, will remember for the rest of our lives – it was truly a once in a lifetime experience.

As Torchbearers you get to see the whole route because as soon as you finish your leg you get on a coach following the Torch. We were able to see the thousands of people that had turned out to watch and it was overwhelming.

It really brought the borough together and shows what we can do as a country and a community when we come together as one. Everyone was smiling, cheering and waving. It made it a really special moment for the Torchbearers and I'd like to thank everyone who came out and helped make it such an amazing day.

All of the Torchbearers had their friends and family out watching them and it was a brilliant experience for them too.

Being a Torchbearer capped off an amazing week for me as my first grandchild was born on 12 July. He had been due on 19 July and I was worried that I might have to choose between carrying the torch or being there for the birth of my first grandchild! Luckily he arrived a little early and he and my daughter were there to share the moment with me. I even managed to stop and give him a kiss while I was carrying the Torch.

There's so much doom and gloom in the world that times like this become even more special. I think that the Olympics are going to be a really good thing for the borough and the country, and we should enjoy every minute.

## William Morris Gallery reopens

- Refurbished William Morris Gallery reopens this Thursday
- The world-class facility is free and offers a fantastic day out

**The new-look William Morris Gallery will open its doors to the public on Thursday 2 August following extensive refurbishment works.**

The £5 million redevelopment was made possible thanks to funding from Waltham Forest Council and the Heritage Lottery Fund (HLF) as well as many notable trusts, foundations, sponsors and The Friends of The William Morris Gallery.

The transformation includes increased and fully-refurbished exhibition spaces with three new galleries and the chance for previously unseen works to be displayed. There is also a

library, research and education centre and a new Georgian orangery-inspired extension housing a new tearoom and balcony overlooking the picturesque gardens.

The new special exhibition space opens with a fittingly stunning display, Turner Prize-winning artist Grayson Perry's 'Walthamstow Tapestry'.

The refurbished gallery is complemented by the £5 million refurbishment of the adjoining Lloyd Park - made possible through funding from Waltham Forest Council, HLF and the Big Lottery Fund.

Chris Robbins, Leader of Waltham Forest Council, told Waltham Forest News:

"The new-look William Morris Gallery is truly stunning and promises a wonderful family day out whether you're visiting from a few streets away or another part of the country altogether."

The refurbishment forms a key part of the Council's regeneration plans to give residents better streets, better shops and better leisure opportunities. Making the gallery more appealing and showing off more of the enviable collection means there is something for everyone, whether you're a design fanatic or simply want to take the family for a free fun and interesting afternoon out.

So if you've got friends and family visiting during the Games why not go for a stroll in Lloyd Park, visit the William Morris Gallery and have a well-earned break in the new tea room?

# New courts please!

- Waltham Forest Council opens new tennis courts in time for Games
- Work also included refurbishment of Abbots Park pavillion

Dennis Hone, Chief Executive of the ODA; Council Leader, Chris Robbins; former England footballer Sol Campbell and Roger Draper, Chief Executive of the LTA at Abbots Park.

With the London 2012 Olympic Games in full swing, Waltham Forest Council is giving local people an extra chance to try their hand at an Olympic sport thanks to newly-refurbished tennis facilities in Leyton.

The courts in Abbots Park have received a

major makeover thanks to funding from the Lawn Tennis Association (LTA), the Olympic Delivery Authority (ODA) and Waltham Forest Council.

The new-look courts have been improved, re-surfaced and made more accessible, while two new mini courts have been created to help

hone the skills of youngsters.

Work has also included a major refurbishment of the park's pavillion, which now offers a space for use by residents as well as brand new toilet facilities.

This work forms part of a major £5 million leisure boost for Leyton's parks and green spaces which

will see the area overhauled and boosted with brand new sports facilities over the next few years.

Council Leader Chris Robbins told Waltham Forest News: "This is a great boost for local people whether they use the courts for an occasional knockabout or have their sights set on Wimbledon.

"The Olympics have allowed us to make major improvements to this part of the borough, with £5 million alone earmarked for local parks and sports facilities meaning we can offer our residents more than ever before when it comes to leisure opportunities."

# Torch Relay

# Olympic Torch Relay

More than 80,000 residents turned out to welcome the Olympic Torch to Waltham Forest

**Heralding the arrival of the Olympic Games, Waltham Forest residents filled the borough's streets and attended special celebratory events as they welcomed the arrival of the Olympic Torch on Saturday 21 July.**

With the Torch travelling from Ruckholt Road, Leyton to Waltham Forest Town Hall for an evening celebration, the 81,000 residents who lined the route had ample opportunity to catch a glimpse of the Torch.

Ex-Waltham Forest schoolboy and footballer

Fabrice Muamba carried the Olympic Torch on the final leg of the day, receiving it on the steps of the Town Hall from Jay Acharya who was nominated for the work he does with the Waltham Forest Blind Association.

Council Leader Chris Robbins said: "After a long wait and much preparation the Games are finally upon us and residents could not be more excited. Lining the streets and attending a host of free events, residents turned out in force to welcome the Olympic Flame and support the inspirational

people who carried it through Waltham Forest."

Fabrice carried the Olympic Torch into the packed evening celebration in Chestnuts Field. The crowd who'd enjoyed performances from Rizzle Kicks and dance duo Twist and Pulse clapped and cheered as he lit the cauldron on the stage.

Fabrice said: "It's been a wonderful opportunity to carry the Olympic Torch and one I will cherish forever."

Andrew Ince, from Leyton, enjoyed the evening celebration. He said: "We were going to watch the Torch when it came past the

end of our road, but it was such a nice day we decided to come along and enjoy the celebration. We've had a great time!

"The Council did a great job organising it, they really pushed the boat out. We've been to all the Big 6 events and they've been brilliant."

And Carol Chambi from Chingford was impressed when the borough's final Torchbearer was revealed.

"It was a really fun event, we really enjoyed it. We had a lovely day, and it was a nice surprise that Fabrice Muamba was the last Torchbearer."

## Wood Street is Games ready

- Improvements to Wood Street finished in time for Olympic Games
- Celebration event takes place on Friday 24 and Saturday 25 August

Improvements include new roads, pavements, lighting, trees and flowers

**Millions of pounds has been invested in Waltham Forest to make the borough's streets safer, more vibrant and attractive. Now, with the Games underway and visitors flocking to the borough, the streets are looking their very best.**

Improvement works have taken place in Leyton and

Leytonstone – and just last week extensive works to Wood Street, Walthamstow were completed.

The £2 million investment from Transport for London (TfL) and the Mayor's Outer London Fund saw changes along the length of the street, which included replacing roads and pavements, improving junctions and

creating pedestrian-friendly kerbs and crossings.

These works complement recent improvements to the area including the creation of Wood Street Plaza and the rejuvenation of the Wood Street Indoor Market.

To celebrate the completion of works, the Wood Street Fiesta will take place on Friday 24 and Saturday 25 August. The Council has made £5,000 in grants available to local businesses to come up with innovative ideas to incorporate their business activities into the event.

The day will include barbeques of exotic meats and local produce on the Plaza, samples from local bakeries, music and cartoonists, education on vintage clothing, knitting and wild birds, photography, vintage cars and animals and reptiles from Pet

Corner available for handling.

And the good work is not done yet. In January next year the successful Shop Front improvement scheme in Leyton High Road is being extended to Wood Street.

The works to the borough's streets form an important part of the Council's 'Creating a better place to live' campaign that is committed to doing more to improve the borough's streets, and attract better shops and leisure facilities.

## Olympic food stalls open

Just a stone's throw from the Olympic Stadium one Leyton street is sizzling with the opening of a new international food market that offers a wide range of cuisines. The market on Marshall Road, Leyton opened on Friday 27 July to coincide with the Olympic Opening Ceremony. Waltham Forest Council created the market to help local businesses capitalise on the extra visitors that will be flocking to the borough during the Games. Run by local restaurants and café owners, the 30 hot and cold food stalls will be open between 9am and 10pm until Sunday 9 September. The market is located near to Leyton tube station on Marshall Road and is just 500m from the Olympic Park. Customers can purchase everything from Caribbean, Indian or Thai food, to German sausages, jacket potatoes and healthy smoothies.

# Olympic checklist

With the London 2012 Olympic well underway, there are things you can do to make your life easier. Use our handy checklist for some pointers.

### Refuse and recycling

During the Games the times residents have their rubbish and recycling collected have changed. From Monday 30 July to Friday 10 August and from Monday 27 August to Friday 7 September collections will take place from 4am in Walthamstow, from 6am in Chingford and from 8pm in Leyton and Leytonstone. So remember your collection might not happen until the evening. Collection days remain the same. For more information visit [www.walthamforest.gov.uk/2012](http://www.walthamforest.gov.uk/2012).

### Plan alternative routes and ways to travel

There's no doubt that roads and public transport are busier than normal at the moment. If you have to make a journey by car or public transport it's a good idea to plan ahead. Avoid travelling at the busiest times of day and think about leaving the car at home if you can. For more information on travel during the Games visit TfL's website [www.getaheadofthegames.com](http://www.getaheadofthegames.com)

### Check on vulnerable people living on your street

The Council is urging residents to 'be a good neighbour' throughout the Olympic and Paralympic Games. If you have a neighbour or family member who uses social care services, then be aware that there may be some delays to the services they use. Why not pop round to check how they are, or ask if there is anything you can do to help? If you have any concerns phone Waltham Forest Direct on 020 8496 3000.

### Check the Council website regularly

Throughout the London 2012 Olympic and Paralympic Games Waltham Forest Council's website will be updated throughout the day with reliable information from the Council, the Police and other local organisations. It's the best source of information for up to the minute news about things affecting Waltham Forest. Visit [www.walthamforest.gov.uk/2012](http://www.walthamforest.gov.uk/2012)

# Consultation - have your say...

## Important changes to Council Tax Benefit

From 1 April 2013 the Government is scrapping Council Tax Benefit. We want your views on options for a proposed local scheme for working age people that the Council will put in place to protect the borough's residents.

**In order to meet the timetable set by Government we need to have your opinions by 30 September 2012.**

Waltham Forest will lose about £3 million Government funding for Council Tax Support next year. The Council's budget does not provide for the loss of funding; so we need to consider how we could save this amount from the new scheme.

The shortage in funding means we have to make some difficult decisions about who gets financial support and how much. However, we have come up with a draft local scheme that we would like your views on. This is set out in detail on the Council website.

**These changes mainly affect working age people not pensioners.**

**Please don't miss this opportunity to influence the local scheme. Go online and have your say.**

For more information and to fill in the online questionnaire visit  
[www.walthamforest.gov.uk/localcounciltaxsupport](http://www.walthamforest.gov.uk/localcounciltaxsupport) or phone 020 8496 8550.

You can also go online at your local library or the Customer Service Centre.  
Free internet access is available at these places.

Private Fostering

“I'm staying with a friend of my parents while I go to school here. That means I am being privately fostered. I hope the Council know who is looking after me.”

For more information about Private Fostering call Waltham Forest Direct on 020 8496 3000 or visit [www.walthamforest.gov.uk/private-fostering](http://www.walthamforest.gov.uk/private-fostering)

Have your say on future planning issues in Waltham Forest

Waltham Forest Council is seeking your views on future policies for managing developments and determining planning applications. We have already consulted local residents and businesses on these policies but we now want to finalise our plan. A public notice is also published in this paper.

The consultation will run from 30 July to 17 September 2012.

From 30 July 2012, the full document and its supporting documents are available:

- At all Waltham Forest libraries, Waltham Forest Customer Service Centre and from the reception at Sycamore House, Waltham Forest Town Hall Complex
- By downloading from the Council's website [www.walthamforest.gov.uk](http://www.walthamforest.gov.uk)
- For viewing and sending online comments at <http://walthamforest-consult.limehouse.co.uk/portal>
